Knowing the proactive steps on how to protect your identity, your finances, and your family is the first line of defense. **Join Mark Whittaker, Darke County Sheriff, as he guides you on how to stay safe from scams and theft by deception.**

"Fabulous Flowers — Designing Beautiful Floral Arrangements" Gina & Caitlin Miller, are two sisters who own Miller Flowers, a greenhouse, florist, and flower farm in rural Greenville, Ohio. Over 27 years ago, their parents founded Miller Flowers. After taking ownership of the business in 2014, they added a florist & flower farm onto the seasonal business making it a full-time operation. Over the years, their design style & brand has developed into a non-traditional garden-inspired style. Flower education is one of their core values. They offer workshops and garden seminars year-round. It is their desire to provide the community with hands-on knowledge and inspiration to use in their home gardens. **Join Caitlin as she shares her love of floral design, teaching us how to create beautiful floral arrangements.**
